

Desert Sun Inaugurates New Programs so that "The People May Know"

By OLIVER B. JAYNES

In order to more effectively carry out our obligation to keep the people of Palm Springs informed about civic affairs, The Desert Sun will inaugurate this Fall a "Public Information Program" in which Villagers and all public agencies will be urged to cooperate. We believe that a better informed public will create better understanding and better feeling between the various groups and public agencies.

We believe that the city council, city boards and commissions, school board and all civic organizations will welcome the adoption of such a program. A great many men and women — like the members of the city council — are devoting much time without pay to community service. Their efforts should be more generally understood and appreciated in order that many other highly qualified residents of the city will be more willing to serve.

Palm Springs is growing steadily and its course must be charted with care. The community must be kept attractive to the visitors and as many activities as possible pro-

vided for the vacationist. A reputation for courtesy and friendliness should be maintained. The desert area needs constant promotion in competition with other resort areas. Almost everyone will agree on these broad objectives.

Difficulties are encountered mostly in the ways and means of carrying out these objectives. Many problems are born of a lack of proper understanding and information. We believe, therefore, that a better informed citizenry will create better understanding and more harmonious relations. We believe also that it is an important function of The Desert Sun to obtain and publish all the information we possibly can about the activities and actions of governmental agencies and groups which influence civic affairs.

To this end we have formulated — and will put into operation in the very near future — the following Public Information Program:

1. Publication of notice and probable agenda of open meetings of all public agencies in the city

and school district, in the issue prior to such meetings.

2. Report discussion and important action taken at all meetings of public agencies in the Desert Area.

3. Report of action taken on matters of general community interest by the boards of directors of the Chamber of Commerce and other civic organizations.

4. Establishment of a new department in The Desert Sun to be known as "Palm Springs Forum" in which citizens will be invited to give their views on matters of general interest in the community.

Letters to all agencies will be sent by this newspaper requesting that they inform us prior to their meetings of important subjects to be brought up for action. Notice of such meetings and subjects will be published in The Desert Sun, prior to the meetings, under the standing heading: "Open Meetings". Reports of important actions taken at these meetings will be published in a subsequent issue, along with actions taken by civic groups.

Villagers, winter residents and visitors will be invited

and urged to give the readers of this newspaper the benefit of their views on matters of general interest in the community in the "Palm Springs Forum" column. We invite letters of commendation as well as criticism. We hope that this medium will present a cross-section of opinion on important matters. Such opinions can serve a very useful purpose. From such letters may stem ideas that will make for community betterment.

We seek the interest, support and cooperation of every Villager, every public official and every civic group in carrying out this program.

Your "Right to Know" is one of the greatest safeguards of democracy. But that right can wither and die unless nourished by a DESIRE TO KNOW. It is our hope that through this Public Information Program, we will not only supply information for those who seek it but also stimulate a desire on the part of more people to keep informed on civic affairs.

How about starting right now by writing us a letter of comment on this program?

NEW COUNTY JUDGE — State, county and city officials were present Friday at Indio when Hilton H. McCabe was sworn in as judge of the fourth district superior court. Left to right, Homer Varner, supervisor, Justice Douglas L. Edmonds of the state supreme court who administered the oath, Judge McCabe and Judge Wallace Rouse, president of the Desert Bar Association which had charge of the ceremonies.

HILTON McCABE SWORN IN AS COUNTY JUDGE

Before state, county and city officials, Hilton H. McCabe of Palm Springs was sworn in as judge of the new superior court department which will sit at Indio, serving the desert area.

The ceremonies at Indio Friday afternoon culminated years of agitation for a branch of the superior court in the desert area to serve the fastest-growing area in Riverside county.

Desert Bar Association, which led the fight, was in charge of the event Friday.

STATE SUPREME COURT Justice Douglas L. Edmonds administered the oath to Judge McCabe before 300 persons at the Indio Woman's clubhouse.

Importance of the new court was emphasized in brief talks by several officials.

Superior Court Judge John G. Gabbert described this as the most important event for any district in Riverside county in the county's 60-year history, the first time an actual branch of

county government "has been set up to operate outside the courthouse at Riverside.

JUDGE GABBERT said this is indicative of the tremendous growth of the county's desert area and said it "undoubtedly is the forerunner of future governmental decentralization for Riverside county."

Wallace P. Rouse, president of the Desert Bar association, presided over the ceremony.

Among the officials he introduced were County Counsel Ray Sullivan; District Attorney William Mackey; County Treasurer Sherman Whitnah; County Recorder Jack A. Ross; County Tax Collector Miss V. M. Hyde and Planning Consultant Tyler Suss.

SHORT TALKS were given by Supervisor Homer Varner; Enos Reid of Riverside, president of the County Bar association; Superior Judges Russell S. Waite, O. K. Morton and Gabbert; and Justice Stanley Mussell of the Fourth District Court of Appeals.

Wives of members of the Desert Bar Association served refreshments.

Judge McCabe, 46, an attorney and president of the Palm Springs Board of Education, will begin holding court Monday morning in the Indio county building.

Half Million New Building in September

Building permits issued during September in Palm Springs showed an increase over the corresponding period in 1952, for one of the few times this year, Building Inspector Donald Graham reported.

Permits issued last month were for construction valued at \$541,850, an increase of \$131,270 over the 1952 figure of \$410,580. Total for the year continues to lag behind the 1952 figure, showing a decrease of \$1,466,921 after nine months. The 1953 total is \$2,747,958, and last year's figure was \$4,214,879.

There were 55 permits issued last month, as follows: One public building addition \$24,000; 22 dwellings \$386,000; 10 dwelling additions and alterations \$30,350; two apartment additions and alterations \$1600; 11 swimming pools \$45,000; two guest ranch additions \$4500; three trailer park additions \$10,000; two commercial alterations \$2400.

Lost Lad Finds His Home With the Aid of Desert Sun

The Desert Sun, well known for its successful classified columns, did an assist in person Wednesday afternoon in the human "lost and found" department.

A member of the staff, walking on Indian avenue, about a block from the office around 3:45, noticed a young lad looking rather forlorn. The youth approached, and asked, "Can you tell me where the police department is located?"

The directions were given, and as a matter of course, the staff member asked, "What's the matter? Perhaps we can help."

The lad, Merrill Graham,

DUST-STOPPER — Harold Tonne, operating the city's sprinkler truck, is applying the first coating of the water-asphalt mixture which is designed to alleviate the dust problem on residential dirt streets. All such dirt streets will receive a coating by December 1, according to Public Works Director John Keefe.

CITY CREW BUSY ON NEW DRIVE TO LAY THE DUST

City of Palm Springs has started work to alleviate the dust problem caused by dirt streets.

After experiments covering a period of two months on city owned property, the city engineering department has started work on public streets.

The material used is a mixture of asphalt (with an additive to remove the stickiness) and water, using 100 gallons of asphalt to 900 gallons of water. This is just enough asphalt to enable settling of dust and provide a smoother riding surface, according to Director of Public Works John Keefe.

ALL STREETS on which homes are located will receive the first coating by December 1, Keefe said. After that, he said, it will take less time to cover the areas, and actually effect enough saving in cost of maintenance to pay for the asphalt coating.

Initial purchase by the city was 5000 gallons of asphalt at a cost of \$550. There is no estimate to date on how much will be needed to complete the first coat on all streets.

Seven streets have been cov-

ered to date, and residents there have been enthusiastic in their praise of the city project. In addition to stopping dust on dirt streets, the monthly coating will also cut down on ruts and provide easier maintenance. The asphalt does not track, Keefe said.

A TWO-MAN CREW will continue on the project all winter, the same number of men used to water streets formerly and the same equipment is also used, with the nine to one mixture enabling use of the city's water sprinkler.

A grader operated by Henry Tichenor precedes the coating, grading and shaping the street. Then the sprinkler operated by Harold Tonne is used to apply the mixture, which settles in within 30 minutes.

Average maximum coverage possible is one mile each day of operation for the initial coat.

THIS MIXTURE was first discovered in Texas and used in the oil fields there. When found practical, national manufacture of the substance was started about a year ago.

It was brought to Keefe's attention by the American Bitumens company, Los Angeles

See DUST, Page 4A

LIONS CHECKING UP ON CHARITY BOTTLES

Have you a milk bottle labeled Lions Club Blind Fund around your place of business?

One of those pint bottles the club left around in various business places to receive pennies and dimes for their principal charitable project?

When the club started operations this year for the season only eight of the bottles were located. There are many more out. If you have one, the club is sounding an appeal that you call Charles S. Henderson at 3972. He's chairman of the committee in charge.

Complete Paving on Indian Avenue After Long Delay

Indian avenue is now officially and permanently open in front of the Agua Caliente bath house.

Lane lines and crosswalks have been painted, with only minor finishing work still remaining. While this is being done, the road will not have to be closed though, according to Public Works Director John Keefe.

Completion of the work was held up several days last week because of a breakdown of equipment of J&S contractors.

Total cost of the project, which has been talked about for many years, is around \$18,000. The former roadway was considered a road hazard as it was one of the few places on Indian avenue where the street narrowed to two lanes.

The remainder of the paving and widening of Indian avenue now under way is expected to be completed within two weeks, Keefe said.

Total cost of this project will be approximately \$40,000.

LOSES GLASSES

Mrs. Nellie Leonard, Hatchett's court, reported to police Friday the loss of tortoise shell glasses on Indian avenue.

Retail Merchants Invite 25 Civic Leaders to Join Them in Salary Proposal Survey

By DON KLOTZBUECHER

Palm Springs city councilmen may soon receive remuneration for their attendance at regularly scheduled meetings.

That is, if a committee of 25 leading citizens of Palm Springs, together with recently reactivated Retail Merchants Association of Palm Springs, Inc. recommend such action after a study.

And then too, council would have to adopt this proposal, and unofficial sources report that a majority would be opposed to receiving any remuneration. No present councilman could benefit anyway by such a change for their current term of office according to State law.

THESE SAME SOURCES also pointed out that it is the current belief that a higher calibre of citizenry is attracted to office when it is a matter of public service, instead of money, no matter the amount.

The pay for attendance would no doubt be very minor, as is the case where councilmen in sixth class cities are paid. It would be the principle involved. The fact that it was mainly a matter of principle was brought out by Adrian Rosen, chairman of the Retail Merchants Association (not to be confused with the Chamber of Commerce Merchants committee.)

THE RESOLUTION asking such a study was adopted unanimously by the RMA directors at their initial meeting Tuesday evening in the Chamber of Commerce offices. They have invited 25 leading businessmen, private residents and professional men to join with them in the investigation, with their names to be announced after they accept the invitation.

"We believe," Rosen said, "that remuneration—no matter how small would produce more devotion to duty and responsibility to the citizenry."

"It would provide a relationship of an employer to an employee (taxpayers to the councilmen)," Rosen continued. "You either run the government or the government runs you."

"BESIDES," HE SAID, "it isn't fair to the individual serving on the council not to receive some remuneration." He added that it was brought out at the meeting about several councilmen commuting between their vacation spots and Palm Springs when meetings were held, and they paid all of their own expenses.

The official resolution See SALARY, Page 2A

All Villagers Urged to Join in Clean Up

Clean up your home and make a worthy contribution at the same time.

This was the appeal today by the Welfare and Friendly Aid Society.

"If you have any household items which have outgrown their usefulness, but are too good to throw away, donate them to the Welfare and Friendly Aid for their semi-monthly sale at the Little House," spokesmen said.

IT WAS EXPLAINED that many Villagers are checking their homes during the city Clean-Up Week now in progress, and no doubt will find many useful items they no longer want.

If so, they are asked to call the Welfare and Friendly Aid Association, 5688, and the article will be collected.

Villagers are cooperating in all ways with Clean-Up Week October 1 through 6, according to Director of Public Works John Keefe.

THE WASTE DISPOSAL department which is offering special hauls of rubbish is now a couple of days behind on calls, but plans to add an extra truck to bring the special collections up to date. It was pointed out that regular service takes precedence, and has been maintained according to schedule.

This special service will continue as long as needed to complete the hauling, Keefe said. Persons interested are asked to call the waste disposal department, 2202, and make an appointment. The charge is \$2 for each 15 minutes of actual loading time, with a minimum charge of \$2.

YOUTH COORDINATING COUNCIL OK's JUNIOR POLICE RESERVE PLAN

Endorsing the formation of a Junior Police Reserve in Palm Springs and taking steps to start the first phase of the program, the Co-ordinating Youth Council formulated plans for an active year at an organizational meeting held Thursday evening at the Sidney O. Noles Jr. home at 240 Ocotillo.

Mrs. Noles, who has been serving as temporary chairman since the inception of the Council last May, was elected presi-

dent; Dr. Hugh Stephens, vice president; Mrs. Eugene Theriault, corresponding secretary; Mrs. Jack Freeman, recording secretary; and Charles McDonald, treasurer. Committee heads will serve as members of the board of directors and City Attorney Jerry Bunker is busy drawing up by-laws for presentation at the next meeting.

WITH THE GOAL of co-ordinating youth activities the Co-

ordinating Youth Council membership will be made up of representatives from all organizations working with youth, including clubs, churches, schools, the Police and County Probation departments.

With the intention of rallying community groups to combat juvenile delinquency and forward youth programs, the first meeting was called by Atty.

Name Western Week Chairmen

Plans for Western Week to be held this year in November, were furthered at a meeting of Los Compadres club Thursday night. Until further details are cleared up, no dates will be set, Jimmy Cooper, head of last year's Western Week said.

Anita Haskell Jones and Dotie Higgins, the latter secretary of Los Compadres, were named co-chairmen of the event.

Committees for the various events will be named when the planned program takes definite shape, it was decided at Thursday night's meeting.

First Portion of Proposed Street New Parking Lot

Paving of the first 200 feet of Tahquitz drive, extending east from Indian avenue, is now completed and available to the public for use as a parking lot, City Manager R. W. Peterson reported today.

Lines designating parking spaces were painted Thursday, and the lot was then officially opened.

Parking meters, as authorized by council, will be installed in the near future.

Completion of the extension of paving to Sunrise Way cannot be accomplished until current leases on Indian land expire.

Bill of Rights Week Dates Set

Bills of Rights week will be observed in the Nation December 9 to 15, it was announced last week.

Many communities are planning special programs for the week.

Bitten by Dog, Says Local Mail Carrier

Harry Milton, mail carrier for the local post office, told police Friday that while on his rounds he was attacked and bitten on the leg by a dog.

He gave the location of the incident at 223 West Arroyo. The injuries were listed as "minor."

WAR-TIME COMRADES — Frank Bogert, managing director of Thunderbird Ranch and Country club is re-naming war time memories with Commander Robert W. Wasson with whom he served at the Alameda Naval Air station during World War II. Wasson this week took over some of the multitudinous duties of Bogert for the winter season of 1953-54 among them being the management of Thunderbird Ranch and Country club.

Robert W. Wasson New Manager at Thunderbird

Naval wartime comrades were united this week in a civic endeavor here in the Palm Springs resort area.

Frank Bogert, managing director of the Thunderbird Ranch and Country club announced that Robert W. Wasson, former naval commander and who watched over the preparation of all food for the president during World War II, is the new manager of that famous golfing plant. Former Lt.-Commander Bogert served with Wasson at the Alameda Naval Air Station during World War II for a time.

Wasson at that time was in charge of the Commissioned Officers' club at the Livermore Air Station as well, where he supervised service for 4,000 members. He recalled that he served on an average of 1500 meals a day and supervised the care of 2500 rooms, daily.

He accomplished such an outstanding performance at the two naval stations that his work came to the attention of high authorities in Washington, D. C., which resulted in his transfer to that city where he supervised the preparation of the president's food.

Bob Wasson will soon be joined at Thunderbird by his wife Carol and nine-year-old son Harry.

During the summer the dining room of Thunderbird was considerably enlarged and will now comfortably seat 220 persons, Bogert announced. In addition other improvements and additional luxury homes were built at a total expenditure of more than \$160,000.

Watch Your \$10 Bills, Warning of Treasury Dept.

Watch your \$10 bills—if any. Warning was issued by the treasury department last week that the southland is being flooded by spurious \$10 bills.

If the bill bears the notation, "St. Louis Federal Reserve Bank," be especially curious about the bill.

The treasury department said the counterfeit notes are slightly grayish in appearance and the engraving appears less sharp than on a genuine bill.

The money is marked as series of 1950, has check letter D, a face plate number of 103 and a back plate number of 1312.

From Page 1—MORE ABOUT SALARIES

adopted by the RMA follows.

"Resolved, that a citizen's committee, composed of representative citizens of Palm Springs be appointed by the president of the Retail Merchants Association of Palm Springs, Inc., to consider the benefits of remunerating members of the Palm Springs city council for their attendance at regular city council meetings, the findings of said committee to be embodied in a report to the board of directors of Retail Merchants Association of Palm Springs, Inc."

THE FIRST MEETING of the committee was set for October 14. Corporation by-laws for the RMA were adopted by the board of directors at a meeting May 25, 1953. The 15 directors are: Rosen, president; Ralph Shelley, Lee Baker, Ray Corliss, Morris Finerman, Joe Henderson, Tom Holland, Stan Jalloff, Bert Mennell, Howard Morris, Isadore Nelson, Larry Quinn, Herman Reich, Dewane Schmidt and Marge Terrill.

William J. Dunkerley, manager of the Palm Springs Chamber of Commerce, is serving as secretary for the group.

OBJECTS of the association, according to the by-laws, are: "To bring the retail merchants of Palm Springs into closer relations and to promote harmony and good fellowship among them; to foster high ideals in trade; to encourage practice and policies for the general good; to promote municipal regulations affecting the sale of merchandise at retail as may be just and proper; to prevent as far as possible unfavorable legislation; to combat and discourage improper solicitations; and by united action in every proper way to promote the retail trade and interest of Palm Springs merchants by encouraging all merchants to live by a code of ethics."

Membership in the association shall consist of any firm or any individual engaged in retailing, who has been approved and is a member in good standing of the Palm Springs

Button Declares GOP Program Now Functioning

A. Ronald Button, chairman of the Republican State Central Committee told a gathering at Riverside last week that "the American people can look forward to great amounts of long awaited and badly needed legislation when the new Congress meets next January."

Button was in Riverside to meet Republicans on a statewide tour. He landed at Desert Air Park airport earlier in the day and spent a brief time at Rancho Mirage where he has a home.

ATTENDING the Riverside meeting at the Mission Inn Wednesday from Palm Springs were Warren Slaughter, president of the local Republican Assembly, Mrs. Slaughter, Al E. Hoover, Assembly secretary, and John Dill, director.

"Although critics of President Eisenhower's administration insist that the comparatively few pieces of legislation passed by the last Congress indicate little has been accomplished, the administration has actually taken great strides during its first eight months," he declared.

"ANYONE WHO ATTACKS the Eisenhower record has failed to contrast it with the record it with the New Deal Fair Deal records of the past 20 years," he said.

Button, who met with Riverside County Republicans as part of a state-wide grass roots political tour to develop plans to "Give Ike More in '54," said the President has spent his first eight months in office laying the groundwork necessary to drafting sound legislative measures.

DURING THOSE eight months, he continued, "President Eisenhower has: Untangled the 'Washington mess', stopped the killing of American boys in Korea; taken a tough stand against the Communists and cleaned up corruption in government."

But Button considered the President's greatest achievement was the "outstanding job" he has done in making appointments.

"They are all specialists in their field and have put the government on a sound business basis," he said.

Record Breaking School Pay Roll Made by County

Nearly a million dollars—the biggest school payroll in Riverside county history was delivered to teachers, administrators and non-certified school personnel throughout the county yesterday.

Bill Ellenbroek, business services director for the County Superintendent of Schools, said the \$891,312.66 total went to 2,605 employees, 1,693 of whom are certified and 912 of whom are non-certified. Certified personnel got \$736,933.66 and non-certified \$154,379.

Pay checks of 128 teachers—approximately 8% of the payroll—were held up, Ellenbroek said, because legal requirements relating to credentials in their cases had not been met.

County Hospital Head Wins State License

Administrator Bruce Summers of Riverside county general hospital was advised this week that he had passed the state medical board examination and had received a license to practice medicine in the state.

Supervisors will give him a permanent appointment to the post he has held temporarily until his license was issued.

September County Building Declines

Building in unincorporated areas of Riverside county fell off in September, the county building department reported Saturday.

The month's total was \$932,016, below the monthly average for the year to date. Total for the year to date is \$11,818,942. Much of this new construction was in the desert area around Palm Springs.

Appeals Sounded for Tools to Aid Boys Club Work

Have you any woodworking tools you want to loan out to a worthy cause?

Hammers, saws or other such hardware?

Or, even the wood itself? At a meeting of the Lions club committee in charge of the Boys Club, Thursday night at the clubhouse on East Annuas, a new project for boys from 6 to 13 was inaugurated.

It was decided to hold a "wood-working session" each Monday night at the clubhouse and an appeal was sent out to Villagers who want to aid with the loan of tools. The club will buy the necessary wood but could use donations of that, too. The boys will make footstools, toys and other articles for Christmas presentation to their families.

Charles Burkner is president of the Boys Club corporation and

YOUTH LEARNS ABOUT DRIVING THE HARD WAY

An 18-year-old youth is learning about safe driving techniques the hard way, Police Chief John S. Davis reported today.

The young man has made numerous appearances before Chief Davis on traffic violations when he was a minor, and received just as many lectures.

Several weeks ago, Chief Davis learned that the boy was to become 18 on a certain date, and immediately instructed his officers to operate accordingly.

Within a few days, officers observed the youth driving recklessly and cited him for his offense. Next morning he appeared before Chief Davis and commented, "Here's another one."

The young man received a surprise then. For the chief informed him that he was in

the wrong place — the place to appear was before Judge Eugene Theriault in justice court. "You're 18 now," he was told. Judge Theriault fined him \$30 and costs, and the youth arranged a payment plan out of his salary. He also was warned that the next offense would bring a license suspension.

NOT LONG AFTER, he was seen racing up and down Village streets, and although he made his escape at the time, was cited the next day. This time, he again came to the police department and his attitude was changed. He asked Chief Davis to intervene with Judge Theriault. "It's out of my hands," the youth was told. His appearance in court was on Tuesday, and the judge made good his warning. The youth is now restricted from driving for 60 days.

THIS SIDE OF THE SUN

they come in... The other kind I throw in the wastebasket.

WE'LL LET the big brain workers who write the editorials and promotion tell you of the noble ambition of newspapers... Maybe you'd like to know what goes on in an average day at The Sun office? First off, with standard time back on the beam, I'm up an hour earlier... So in the bright, beautiful morning, Mrs. G. lets me off on the Indian avenue side at 7 a. m. (No more U turns now, the street's open again)... Then I race in to see if by any chance I've beaten Burgard to the job... Mr. B is the cashier... Everybody is respectful to him... He passes out the checks... He also loves the early dawn... Only twice have I beaten him to the office... Both times it was when he didn't feel good and didn't show up at all... Sometimes he's nicknamed "ice-water"... Fellows who weren't able to convince him that an advance on salary was necessary, say that's what's in his veins... He'd make a good banker.

THE REASON I try to get here so early is that I have an hour on the back shop... An hour of peace and quiet where much can be done... After they get here, chaos is on the make... It's like trying to think in a boiler mill... Especially with the World Series on... They come in the newsroom, take the morning papers apart and hold post mortems on yesterday's game... And there are always arguments such as: "I did not give you 14 points, only 13, so I win, where's my dime?"... Or, "That pig! Was

ahead by two lengths turning for home and faded"... Then, comes 8 a. m. and they retire to their machines and all is quiet for a time.

BETWEEN 8 AND 9 the elite drifts in... That's the front office staff... They, too, have their favorite topics of conversation... Most of which cannot be printed... Then the girls from the business office come in... That brightens the day... Until somebody is trying to get a line out and the telephone switchboard is lit up like a Christmas tree with all trunks busy... And the argument as to who has priority is on... It's a lot of fun and I wouldn't miss it for the world... For we all love each other and let anybody on the outside try to say anything about any of us!

SO THAT'S a small view of the fun, hustle, bustle (meaning hurry) and high morale that prevails... It's a great gang and every seeming harsh word is tempered by genuine affection... (I've even had to rub lip stick off my bald spot before going home to keep Mrs. G. from becoming suspicious).

When I first came to work this morning I had a brilliant Newspaper Week idea... A great labor-saving idea... I thought of comparing newspapers here with those behind the Iron Curtain... Was going to comment briefly on the freedom of the press in the United States in comparison with that in Russia... The idea being that after a brief statement of facts was going to leave the rest of the column absolutely blank with the simple notation: "Deleted."

HAVING FULFILLED my ambition and spattered words over two sheets of what was once clean, white unsullied newsprint, this is as good a time as any to add the symbols — — — — — meaning the end.

P. S.: I didn't say anything about the end of the day... Because I don't know... At 4:30 on the dot there's always heard a "swish" at the office... That's me taking off for the day.

OFF TO LAS VEGAS — Palm Springs Shriners gave the Village plenty of publicity at Las Vegas this weekend when they

Village Shriners in Las Vegas for Fall Ceremonial

Headed by President D. B. Carlin a group of Nobles from the Palm Springs Shrine Club spent the week end in Las Vegas attending the Ceremonial.

In the party were: Peter B. Sheptenko, Dave Lyons, Oscar Mandinich, Don R. Siler, George Wheeler, Bill Leoncio, John Archibald, Ben Bronstein, John G. Muniholland, O. A. Torgerson,erry Sanborn, Ken DuBose.

The Shrine Club will hold its first luncheon meeting of the season at the Doll House tomorrow noon, with all Shriners welcome to attend.

Planners

Two Reappointed to 4-Year Terms

Two of seven members of the County Planning Commission received new four-year terms last week.

They are John Rose of Corona and Fred McCall of Romoland. Rose operates a motel, and McCall is a rancher.

County Supervisor Chairman William Jones gave them the new terms. The approval of the other supervisors was needed, and they gave it unanimously on a motion by Supervisor Sherman Lewis.

Rose is a resident of Jones' First District and McCall lives in Lewis' Fifth District. Jones said he would appoint the man suggested by Lewis, and Lewis said McCall was all right by him.

L. C. Lewis of Cathedral City is a member of the planning commission.

Western Drama in Rehearsal at Little Theatre

"The Bad Man," comedy drama by Porter Emerson Brown being produced at the Palm Desert Little Theatre, October 15 to 18 and 23 to 25, contains some hilarious situations when Panchito Lopez, the bandit from across the border tries to straighten the tangled affairs of a ranch house full of people "in one hectic hour." Bill Ayers plays the bandit.

The cast of valley favorites is under the direction of Clay Stearns who also handles a comedy role in the piece.

The locale is the Arizona-Mexican border in the early 1920's and is a complete change of pace for the group, being the first western to be produced at the Desert Playhouse. Stearns believes that the change will be enjoyed by Little Theater fans, he said.

Palm Valley School Starts 1953-54 School Term Today

Schedule of classes and complete information concerning subjects taught at Palm Valley School was announced today by Director-Owner J. Blake Field, as the school started its 1953-54 school year.

Students are picked up from their homes by a school bus shortly after 8 a. m., arriving at the school at 8:30 a. m., in time for general assembly. At this time announcements are made, and the students join in singing of a song, a short non-denominational prayer, and a pledge of allegiance to the flag.

CLASSES START at 8:40 and are 40 minutes each in length. The day is divided into eight periods, with six of these devoted to classroom work and the other two to supervised study.

During the morning, there is a 15 minute recess, at which time students are given refreshments consisting of fruit juices or milk, and crackers or cookies.

Lunch is served at 1 p. m., cafeteria style in the modern school cafeteria.

At 1:45 p. m., classes resume and continue until 3, when the athletic period begins. The school day ends at 3:45 p. m., and students are transported to their homes.

CURRICULA in the Junior and Senior high schools is the same as for any public school, with particular emphasis being placed on the basic subjects such as English, mathematics, languages (French, Spanish and Latin), sciences and history. Optional subjects offered are music, art and typing.

In the case of the Junior high school, it is possible for stu-

attended the Fall Ceremonial of Al Malaikah Temple at the Nevada City. The caravan carried prominent signs so that all would know where the group came from.

Bench Warrant Trips Motorist

Robert Cecil Jones, 22, was arrested by Palm Springs police last week on a bench warrant issued by Judge Eugene Theriault's justice court, charging him with failure to fulfill a sentence for driving while intoxicated. The sentence was to pay a \$150 fine or serve 30 days in jail.

Police Chief John S. Davis reported that Jones had also disregarded citations issued to him for speeding, improper driving, and operating a vehicle in poor mechanical condition. Jones appeared before Judge Eugene Theriault later, and on all counts was fined \$150 or sentenced to 30 days in county jail. In addition, his driver's license was suspended for 90 days.

Congressional Committee to be in Village Today

Two congressmen and three officials of the department of the Interior and Reclamation department, will be in Palm Springs today en route to Coahuella Valley where they will inspect the Coahuella canals and distribution system.

The congressmen, Ivor D. Stanton of Pennsylvania and Hamar Budge of Idaho are members of the house appropriations subcommittee on the Interior. With them will be Carson Culp, executive secretary of the division of budget and finance of the department of the Interior, Sidney D. Larson of the department staff and one other.

They will be met by H. W. Van Loo, contracting engineer for the Coahuella Valley County Water district.

Following the day spent inspecting the water system they will return here and spend the night at the Vista del Sol.

Palm Springs Elks Salute Press on Newspaper Week

Palm Springs Elks Lodge will observe National Newspaper Week October 1 to 8 as part of a nation-wide salute to the press by Elks lodges throughout the county, Bill Olsen, exalted ruler, announced Friday.

Featuring the Elks program will be a tribute to the press of this community, carrying out the Newspaper Week slogan, "An informed press means an informed people," Olsen said. "The Benevolent and Protective Order of Elks has declared that a free press is the keystone of American liberties, and asks all Elks to join in observing National Newspaper Week in order to strengthen the prin-

ciple of a free press and to combat efforts to restrict this freedom," Exalted Ruler Olsen said. "We strongly support this stand, and join enthusiastically in saluting the independent press of our community and of the Nation."

City to Keep in Touch with Airline Plans

Two Officials at Las Vegas Hearing on Feeder Routes

City Manager R. W. Peterson and City Attorney Jerry Bunker represented Palm Springs Wednesday at the Bonanza Airline renewal case hearing conducted by the Civil Aeronautics Board in Las Vegas, Nevada.

The City of Palm Springs is not intervening in the hearing for increased feeder airline service within Riverside county, but merely entered its name on record purely for the purpose of receiving notices and reports relative to the hearing.

CITY OFFICIALS decided not to intervene at this time as the Village is not listed as a stopping point for either the Bonanza line, or if that is denied, for the Southwest Airlines which is also seeking the franchise.

Peterson pointed out that the city was represented to secure information and added that the trip was "well worthwhile in this respect."

ONLY BLYTHE OFFICIALS were heard on the first day, with other Riverside county cities scheduled to appear later. Homer Varner represented Riverside county at the second session of the hearing, backing the plea for feeder line service for Riverside county.

He supplemented arguments presented by officials from Riverside city and spokesmen for other county communities to the east of Palm Springs.

VARNER SAID that the economy of the county warrants such feeder service and said that if schedules permitted, county traveling on county business, would be a big factor in support of the airlines.

It is not expected that a decision will be arrived at immediately following the hearing, but it is designed only to hear arguments from cities which will benefit.

The hearing at which a decision is to be made, will be held later in Washington, D. C.

Varner to Speak at Rotary Meet

Homer Varner, Fourth District supervisor, will address Palm Springs Rotarians at their luncheon Wednesday at the Biltmore hotel.

Chairman for the day will be Oliver B. Jaynes.

The weekly meetings start at 12:10 p. m.

VANITIES CHORUS — The chorus line for the Jaycee Vanities, staged by the Jaycee-ettes at the Playhouse Pavilion Saturday night, included this line-up of dancing girls, left to right, Libby Lewis, Norma Smith, Phyllis Flax, Flo Ambler, Ruth Magadini, Barbara Foster. The hour and a half long show consisted of songs, dances and skits, directed by George Heap. The number pictured was titled "Papa Won't You Dance With Me."

Joseph Walker Taken by Death

Joseph Gardner Walker, a resident of Palm Springs for three years died at his summer home in Kentfield, Sept. 27, according to word here last week. His widow, Gertrude and stepson, Roland Walrath Walsh survive.

Mr. Walker suffered from a heart condition for several years.

For 40 years previous to his desert residency he lived on the San Francisco peninsula and during the lawless era of bootlegging was elected municipal judge of South San Francisco. He was known as the judge who started the end of the reign of lawlessness.

He was a member of the Masonic lodge and was born in Kendal, England. Internment was in Marin county, where for two summers Mr. and Mrs. Walker have made their home.

Suspect Held

Man Wanted Here Arrested in East

Chief of Police John Davis will send Detective Sergeant D. Ordway to New York to bring back to Palm Springs Philip Kofsky, 40, wanted here on charges of passing more than \$500 worth of bad checks.

Kofsky is also said wanted in Pomona on sixteen bad check counts, and the Los Angeles county sheriff's office holds a warrant for him for violation of probation on bad check charges.

Kofsky was arrested in New York Friday night, when he entered the St. George hotel and registered under his own name. He was spotted by the assistant manager of the Burns detective agency, who recognized the suspect from a wanted bulletin, and notified police.

When passing checks on local merchants, Kofsky represented himself as vice-president of the Philip Morris company, it was said by police.

Chief Davis announced that Kofsky will be brought back to stand trial.

I RISE TO REMARK

By CONGRESSMAN JOHN PHILLIPS

Evian is an attractive little community on the south shore of Lake Geneva, or, as you must always remember to call the lake when you are on the French side, Lake Leman. The ground rises rapidly from the lake and the hotels and cottages are located at various spots on the hillside. Probably one of the curative advantages of the place is the amount of exercise the visitor has imposed on him unwittingly.

For those who, like your Congressman, are referred to, when introduced, as "veteran legislators" — (which in my case I interpret to mean that I can now leave the big Washington dinner, required of us, and go home at 9:30) — there is, in Evian, the "funiculaire," which consists of 2 cars, attached to the ends of a lengthy steel cable, and which appear, at least, to be pulling each other up and down, somewhat at their own convenience, especially now that the season is ending. The "establisement thermal" will close for the season on September 25, and I shall leave the next day for Paris.

The vacation part of the summer will be over and I shall take up again the job of a subcommittee chairman. I have already been in communication with staff members of the committee on Appropriations, who are preparing material in advance, in London and Paris, and checking various matters, some of which, in connection with spending taxpayers' money, the American people would hardly believe, if they knew of them. I recall pointing out a few notable examples in the summer of 1949.

THE CLIMATE of Evian is more like Banning than any other place in the District; that is, it has warm days and cool nights, and is dryer, with less humidity, than other spots in the area. Lausanne is directly across the lake, about thirty minutes in the lake boat, and can be seen distinctly from here. It is really a beautiful view, and location, if it is that much like Banning, the question naturally arises, why couldn't I stay home, which reminds me of the Banning doctor, who, about the time Mrs. Phillips and I went there to live, 28 years ago, took a trip to Switzerland to check on methods for treating TB, and was told that the best place the doctors there knew was a little community in California called Banning. Well, I would enjoy staying home, but I can only give the answer to the question that I gave a friend of mine in Paris, just before I left, who criticized my accepting an appointment from the president, and suggested also that I ought to rest quietly at home: under the Constitution, the president has to make all such appointments, just as they have to be approved by the Senate, and that my interest, over seven years, in this matter of our country abroad has not only resulted in new legislation, and several improvements in procedures, but has saved a minimum of ten millions, which, while we talk largely of billions, still isn't hay to a country boy. I point out that the subcommittee, under my chairmanship, acting on

this principle of watching the millions, or even the thousands, and the billions will take care of themselves, cut the first section of my bill; covering all the independent agencies except Veterans, Atomic Energy, and TVA, a little matter of 61% under Mr. Truman's request, which is the record for the regular bills, and I can assure you, nobody will be hurt, certainly not the taxpayers!

AS TO THE SUGGESTION regarding rest, I asked my friend: When did you ever hear of a Congressman getting any rest at home? In the past, when people have asked me about the "cure" as it is called (and I can recall my cousin Josh coming over to "take the cure" more than 50 years ago) I have said there was nothing here I couldn't get equally well at Murietta or Gilman's — except for four factors: the complete change of scene, customs and language; a thousand years of experience, for many of these spas go back to the times of the Romans, and the "cure" is simply a routine, changed slightly for individual cases; a nice little orchestra, quietly playing good music while the people "drink the waters," instead of a radio turning on full blast, abusing my sensitive ears with a noise erroneously called music, and finally, no long distance telephones.

I shall have to revise the fourth advantage, one farm group reached me by long distance phone Tuesday in connection with a matter now under discussion in Geneva where, I fear, western agriculture is about to be sold down the river again. I may have been able to do something, if only to lessen the pain. So that one call was OK, but I point out hurriedly that such calls are extremely difficult and very hard to understand!

Bible Study Classes

"Prophetic Studies in the Book of Daniel" will be discussed at the Seventh Day Adventist church, South River drive, when Wednesday evening Bible study sessions are resumed at the church this week.

Pastor Kenneth Smith will lead the discussions.

Two Cars Damaged

A two-car collision in the Plaza Friday resulted in damage estimated at \$100.

Dan Sackley, Tillamook, Ore., was backing out of a parking place when the rear end of his car was bumped by another driven by Mrs. James Flynn, Palm Springs.

Preparations for Salton Regatta Almost Complete

Things are humming at Fish Springs, according to observers, the new resort just off Highway 99 on Salton Sea, in preparation for the 14th Annual Salton Sea Regatta October 16, 17 and 18, sponsored by the Southern California Speedboat Club Inc., the Club of Champions.

One of these champions, Richard Hallett, of Downey, California, it has been reported, gave a real performance at the Seattle Sea Fair Regatta August 9 this year when he broke his own competition record, raising it from 75 miles per hour to 80 mph. In the mile trials he breezed through at 104 mph in his 225 Hydro to blot out the existing record of 101 mph held by Art Maynard of Long Beach in his "Restless" Maynard, set at Seattle in 1952.

Hallett will be one of the many champions on hand to defend his record at the Salton Regatta. A record entry list is expected according to Ruth St. Oegger, club secretary.

Two boat and skiing clubs spent the weekend at Fish Springs Resort. The Orange County Outboard Club of Santa Ana and the Los Angeles Boat and Ski Club, an all inboard club, most of the members are skiers who go in for racing, speed and jumps according to the president, Frank Savino, of Los Angeles.

From Page 1—MORE ABOUT

YOUTH

Hilton McCabe, among policies discussed at that time were: an intensification of the curfew regulations; working on narcotics problems as related to young people; the smoking problem at school; getting work for students; and employment of a psychiatric social worker.

SOME PROGRESS has been made already, particularly in the matter of student employment. At the meeting Thursday night the group decided to make a survey of youth problems in Palm Springs.

A long-range program for the Junior Police Reserves, as planned by Chief John S. Davis, will be set up for youngsters, both boys and girls, between the seventh and 12th grades.

Enrollment is set to start Wednesday, October 7 at the high school, and Friday, October 9 at the Junior high school. In addition enrollment blanks and attendants will be on duty all day Saturday from 9:30 a. m. until 6 p. m. at the following places in the Village: The Mayfair Market, 444 North Palm Canyon drive, (The Information booth at the front entrance); Shelley's Sportsman's Center, 136 South Palm Canyon drive; The King's Quarters, 174 North Palm Canyon, in "The Center."

CHIEF DAVIS will present the plan to the student body at a special high school general assembly Tuesday morning, October 6. The information will be given the Junior high school students at the regular assembly meeting Thursday, October 8.

Arrangements are being made by Mrs. James Brister 32-890 Whispering Pines Trail, to provide registration facilities in that area on Saturday.

John Archibald, 3717 Sunny Dunes road, will assist in arranging registration facilities in that area.

THE JUNIOR POLICE Reserve will have no police powers and no uniforms, but will have identifying badges and a training program.

Basically the organization will be along the same lines as that of a municipal police department, with Chief's office, patrol division, traffic division, headquarters detachment and detective bureau, and will cover all subjects given in police training schools, including specialized courses in fingerprinting, detection and photography. Many of the activities

INDIANS SMOTHERED BY BREA-OLINDA, 20 TO 0

Completely bottling up the Palm Springs Indians' offensive attack and cutting through for substantial gains when it hurt most, Brea-Olinda high thumped the local grids 20 to 0 in a game on the victors' field Friday afternoon.

Following a wobbly kick-off, the Indians started down the field but their drive was short-lived. Brea stopped them but Lloyd Brubaker halted them shortly after when he intercepted a pass.

AFTER A SCORELESS first quarter, the Wildcats opened up with an excellent passing game and held a 7-0 lead at half time. They kept up their attack in the second and third quarters scoring one TD in each.

Brea's defense held the Indians to a small 42 yards on the ground in the entire game while rolling up 326 yards net. Coach Clare Ballagh wasn't too discouraged despite the

showing.

SEVERAL OF THE INDIANS were bothered with colds, he said, slowing up their game and the Brea-Olinda outfit displayed a highly polished single wing offense.

Gary Driskell was the standout for the Indians in the game. Bergman and Gonzales were the starting ends for the Indians. Rico and C. Driskell, tackles, Parker and Summers, guards, Dillinger, center, Brubaker, quarterback, Egbert and Harrison, halves, Estrada, fullback.

Speedy Trotters to Feature First Harness Stakes

Nine fast trotters, including the brilliant Ohio mare, Nancy Song, have been tabbed as likely starters in the \$5,000 Arcadia stake, feature of the first weekend of harness racing at Hollywood Park. The meet opens Tuesday.

Four West Coast trotters have been named for the Arcadia, including the formidable entry of Anderson Hanover and Jasmine Hanover from the Nyland stables of San Juan Bautista. Also nominated is the six-year-old gelding Calsway, owned by Ed P. Shafer of Aberdeen, Wash., and Holly's Isola, a seven-year-old mare owned by James Haeckler of Pomona.

The race record of 2:03 2/5, set in 1950 by Little Steve and equalled in 1951 by Miss High-worth, may be lowered in this year's renewal, for Jasmine Hanover has a mile record of 2:02 3/5. Nancy Song a mark of 2:03 and Anderson Hanover has covered the mile distance in 2:03 1/5.

... this is swimming pool

MAGIC!

*A new swimming
pool out of a
can of paint...*

Beautifies! Preserves! Endures!

The most famous swimming pool in the world at the Tennis Club will soon have a preserving coat of this magic paint that will enhance the appearance of this oval pool a thousand fold. One inspection of the La Paz Guest Ranch swimming pool quickly convinced the owners of the Tennis Club that the same treatment should be applied to the swimming pool of that famous spa.

*Say Good-bye--
to these pool troubles*

- ✓ Slime and Algae...
- ✓ Unnecessary Upkeep...
- ✓ Cracking-Peeling...
- ✓ Destructive Acids...
- ✓ Clogged Filters...
- ✓ Heat Deterioration...

THIS PAINT IS TRULY MAGIC. It is a never ending source of amazement to those who have worked with paint for years. Actually it is a mineral coating in a can of paint that will preserve the bottom and sides of swimming pools for indefinite periods of time. It is presently being used in voluminous quantities by industry and is now being applied to swimming pools with startling results. A REPRESENTATIVE OF THE COLD LIQUID METALS COMPANY WILL BE ON HAND TO ANSWER ALL QUESTIONS AT THE LA PAZ GUEST RANCH.

At \$9.00 per gallon the average home pool will require approximately \$60.00 worth of this magic pool paint.

ONE PICTURE IS WORTH 10,000 WORDS —
BUT ONE PERSONAL INSPECTION OF THE LA
PAZ GUEST RANCH POOL WILL BE WORTH
10,000 PICTURES. COME OUT TODAY!

*See this magic mineral base paint on

AT CEREMONIES — Villagers congratulate Judge Hilton H. McCabe after he was sworn in as county superior judge. Left to right, Councilwoman Ruth Hardy, Earl Coffman, Judge McCabe, Mayor Florian Boyd and Councilman Frank Miller. (Story on Page One.)

New Paint Product Boon to Pools in Desert Area

There's magic in paint and what a coat of the stuff can do to a building, an automobile or an article!

But the miraculous new paint that was used to coat the bottom and sides of the swimming pool at La Paz Guest Ranch is by far greater magic than "any paint used before", according to authorities on the subject.

The new paint, manufactured by the Cold Metals Company of Hollywood for swimming pools, has many attributes not to be found in any other type of paint on the market today, it is claimed.

Among them are, as shown by exhaustive tests, that no algae will accumulate, no slime, no cracking or peeling, no clogging of filters and a necessary is made possible.

One amazing test indicates that the new paint is heat-resistant. Cement without the paint is anywhere from 20 to 40 degrees hotter than the same area covered with this paint.

This, it was pointed out, makes it unnecessary to keep the pool full of water during the hot summer days.

The paint is presently being used in quantities by heavy industry throughout the nation. A test conducted here since last July on the effectiveness of the paint on swimming pools surpassed the best hopes of the manufacturers, it was announced.

All questions regarding the coating will be answered by a representative of the company at the La Paz ranch during the week. The Tennis club was the first purchaser of the paint in the Palm Springs resort area for the oval pool at that famous spa.

Desert Empire Contest Starts Its Second Year

Desert Empire division of the Travel and Recreation department of the state chamber of commerce, has launched its second annual contest for prize letters with the theme, "I would like to visit the California desert because . . ."

Ten lucky couples, winners in the contest, will have a Winter vacation at southern California's desert resorts, it was announced. In last year's initial contest, the Desert Empire committee reported, there were more than 3500 entries from every state in the Union, Canada and Mexico. The committee believes there will be an even larger entry list this year.

THERE IS NO LIMIT to entries provided each entry is sent in a separate envelope. Entries will not be returned and must be limited to 25 words.

The prizes are valued at more than \$2500. The winners, in order of standing, will have the choice of one week's free accommodations for two at the Desert Inn, Palm Springs; Shadow Mountain club, and Shadow Mountain Terrace, Palm Desert; Barbara Worth hotel, El Centro; hotel De Anza, Calexico; Furnace Creek Inn, Death Valley; Apple Valley Inn, Apple Valley; 29 Palms Inn, and El Adobe, Twentynine Palms; Whitehorn Ranch hotel, Joshua Tree; with others to be announced later.

The judges of the contest are Michael B. Muggill of the Reuben H. Donnelley corporation; Sherman Mulle, Swafford and company; Alfred Atherton, Atherton Advertising company; Larry Pendleton, Jordan company; Carl Totten, Shell Oil company; Forrest Dolan, Mayers company, all of Los Angeles. The contest closes October 31.

Seek Volunteers for Girl Scouts

Another reminder was issued yesterday by Mrs. Fred Morrison to women of Palm Springs that the local Girl Scout council will meet at a breakfast meeting at 9 a. m. Thursday at the home of Mrs. Pauline Smith, 749 Prescott drive at which time workers for the season will be sought. Mrs. Morrison is chairman of the executive board.

Leaders and volunteer workers for committees and other tasks are needed.

These duties will be explained at the breakfast and all women of the Village are invited.

Schwarz Family Now in La Quinta

Mr. and Mrs. W. C. Schwarz, formerly of Riverside, moved into their newly completed home at La Quinta last week. They have been frequent visitors of this area for the past six years and have looked forward for quite some time to becoming permanent residents of this desert section they are so fond of.

Schwarz will be associated with the Palm Springs office of California Electric Power company in the capacity of sales representative for this entire vicinity.

Woman Injured in DHS Auto Accident

Mrs. Blanche Shulman, Desert Hot Springs, was injured in a traffic accident in that community last week when the automobile she was riding in and driven by her husband, figured in a collision with another vehicle driven by Peter Isonagle of Palm Springs. Neither of the drivers were hurt.

Atty. Colegate to State Session

Attorney Roy W. Colegate, local attorney and former city attorney is scheduled to attend the state bar association meeting at Monterey this week. He will participate in a panel discussion on "Pre-Trial Procedure." Judge Clarence Kincaid who presided over the Indian court in 1952 and launched the pre-trial hearings there, will preside at the panel.

Lions Meet in Initial Formal Session of Year

Palm Springs Lions club inaugurated official meetings for the 1953-54 season Thursday noon at the Doll House with Harold West, president, conducting the session.

The dining room was full up for the meeting.

Awards were made for perfect attendance with Charles Burket and Lloyd Simon holding the longest records—15 years each.

Tom Kieley reported for the finance committee. Paul Summers for the program committee and Charles Burket, in the absence of Earl Hough, chairman, told of plans for the membership committee.

Reports of summer vacations were made by members with Culver Nichols reporting the greatest distance traveled from Palm Springs. He went to Switzerland.

Following a discussion of winter plans, it was announced by President West that the club would hold its Thursday luncheon meetings at the Chi Chi each week.

During the Summer, the club met informally at the Palms Cafeteria.

Adult Evening Reading Classes to Start Tonight

Adults interested in learning to read faster and with greater understanding are invited to enroll in Adult Reading classes to be taught by Warren Linville.

Two classes are scheduled for the Fall semester. Beginning Adult Reading is scheduled for Mondays with advanced classes on Wednesdays. These classes are held at the Katherine Finchy school, Room 6, 777 Tachevah drive beginning at 7:30 p. m.

"The average adult in America reads about 250 words per minute with an approximate comprehension of 60-65%. Most adults are able to increase their speed from 100 to 500 words per minute and to increase their comprehension by 10 to 25 percent," Linville said.

Classes will start this evening. Additional information may be obtained from the Adult School Principal Chester Sproule at 2393 or from Instructor Linville at 2987.

**Former DHS Civic
Worker Honored**
Lloyd Gibbs of San Diego, former civic worker of Desert Hot Springs, and his wife, Ann, who visited the community last week, were honored at a dinner presented by their former associates Wednesday night at the spa.

CALLING ALL WOMEN INTERESTED IN GIRL SCOUTING

You Are Cordially
Invited to Attend

A Breakfast Meeting
THURSDAY, OCT. 8, 9 A.M.
AT THE HOME OF MRS. PAULINE SMITH
749 PRESCOTT DRIVE

This council meeting is an effort to recruit women to offer their services for Girl Scout leadership. This invitation is extended to all present members and prospective helpers.

(This Organization is a member of the Palm Springs Community Chest)

HERE ARE THE JOBS THAT NEED DOING

In the varied program of Girl Scouting there is a niche for everyone who believes in the aims and principles of the movement—a place where your time, energy, skills, and knowledge can be turned to the best interests of your nation through aid and service to youth.

TROOP LEADER

This is on-the-spot work with girls for people who like and understand them, who know what they enjoy, who can work with a group of them, and who believe in the objectives of the Girl Scout movement. You can find this job rewarding, as well as challenging.

VOLUNTEER SUPERVISOR

Leaders often need individual help on the job. A volunteer supervisor know what Girl Scout leadership entails and has skill in human rela-

tions. Former troop leaders with college background or equivalent often find this job to be special niche for service to girls — through Girl Scouting.

BOARD OR COMMITTEE MEMBER

The planning and administration of local Girl Scouting are vital to the effectiveness and constructiveness of the program available to the girls. This is where you might fit in.

TROOP COMMITTEE MEMBER

A small committee of civic-minded men and women is needed to aid the troop leader, giving her moral support and specific assistance when needed. You might like to help in this capacity.

VOLUNTEER TRAINER

Ability to teach courses in leadership or administrative skills to other adults can help them do a better job of Girl Scouting.

Page One-B

Palm Springs, California, Monday, October 5, 1953

Second Section

With Hildy Crawford

Palm Springs that turns wintertime . . . into Summer . . . has a way of reversing the seasons . . . Even with the change back to Pacific Standard Time (which I don't like) . . . everyone knows this is Autumn . . . but it seems like Spring as everything blossoms forth to renewed life . . .

There's a new bloom to the Village . . . as the "Gone for the Summer" signs come down . . . and the windows of Palm Canyon shops . . . display fresh merchandise . . . in bouquet colors . . . and the desert-folk flock back to town . . . All around town there's new gaiety . . . as we welcome them back . . .

In the mail . . . a card from Kitty and Paul Pfaff from France . . . says that they are back in Paris after spending many weeks touring the continent . . . They were taking off for Portugal and Spain and will be back . . . on the desert in November . . . after a wonderful Summer . . .

Marj Pohl (Raquet Club's popular publicist) will be back at her desk there today . . . She's been up at Arrowhead Springs hotel this Summer . . . and went on a trip to Zion National Park last week . . . as a final fling of the Summer . . . She said the autumn colors higher up around Cedar Breaks . . . are a real delight . . .

Lights On

Nice to see Howard Manor lighted up again . . . and its opening Thursday night was a gala affair . . . Lovely Andrea wore her "opening" gown in the Howard Manor colors (green and white stripes) . . . and her cocker spaniel G. I. Joe wore a matching ribbon . . . Bob was looking handsome as usual . . . (The adhesive back of one ear was the result of minor surgery) . . . Among the many guests were several who were making their first appearances . . . having just returned to the Village . . . Monte Herbert and his charming Betty arrived that afternoon . . . glad to be home . . . Andrea and Betty were reminiscing about how Betty (then Betty McIntos) ran Andrea's gift shop alone when it opened . . . and now there are five girls . . . M. O. Anderson is down from Seattle for the week end and was at the opening . . . Ned and Joann Crawford had just returned . . . Grace Pope was there . . . and Adelaide Cunningham . . . Dorothy Gray and Harry Joe Brown . . . the A. R. Simons (recently returned from Europe) . . . Mrs. Austin McManus, Mr. and Mrs. Howard Morris, Isabelle Cameron and Peggy Lester (Peggy is building a new home on the 14th fairway at Thunderbird), Zaddie Bunker, Sam Levin, Dorothy Gazda, Mr. and Mrs. Stewart Williams, Mr. and Mrs. Roger Williams, Bill Dunkerley, Waltah Clarke, the George Wheelers, Bud and Vic Graves, the E. Canbys, and the El Mirador crowd had their usual table . . . Rudi Sidler, Frank Blasey, Robert Bonesteel . . . Jack Kramer (tennis champ) was there . . . Bob Howard and Jack were studying the picture of Seabiscuit that is on the wall in the bar . . . and Jack told how he went to the races . . . and bet on Blue Serge instead of Seabiscuit and went home cleaned . . .

The Earl Coffmans, who have been in the Pacific Northwest this Summer . . . are back at their Village home . . . and both looking very well . . . Faye and Renee are off to New York . . . to catch the Fall fashion shows and do some buying . . . Alys and Milton Friendly . . . have just returned from Honolulu . . . and are opening their new home on Santa Rosa drive . . . which they purchased from the Gaylords in the Spring . . . The Bernard Fords were down and opened up their house . . . for Lily Pons to live in . . . while her home is under construction . . . Mr. and Mrs. Louis Benoist flew in Friday from San Francisco . . . and opened their house for the season . . . Mr. Benoist is the president of Lawrence Warehouse company and owns Almaden Winery . . .

Full House

It was a full house at The Dunes Friday night . . . as Villagers and long-time patrons dropped in to wish Ruby and Connie . . . another good season . . . Mr. and Mrs. Howard Morris, George and Ethel Strebe, were sitting at adjoining tables . . . Bess Bender (looking very chic) was there with her escort Al Abdellour (of Desert Provision) . . . Beautiful Town and Country restaurant . . . in the Center . . . came to life Friday . . . opening

its doors to friends and patrons . . . who have missed its quiet, friendly atmosphere . . . and delightful smorgasbord . . . this Summer . . . One interesting table of early diners . . . were Mr. and Mrs. Austin McManus and the George Samples . . .

The Samples were among the colony of Palm Springs folks . . . who vacationed at Jackson Hole, Wyoming this Summer . . . Visiting Chicagoans . . . the E. V. Andersons and the H. X. Stolls (National City stockholders) . . . were being entertained by Rudi Sidler, Robert Bonesteel and Simone Peras . . . Friday night . . . catching the early show at the Chi Chi . . . The Frank Camps are back at their Mission road home . . . after a Summer at Idyllwild . . . Mrs. Camp said it was so pleasant and restful . . . that she didn't know why anyone wanted to go chasing off to the ends of the world . . . as it was more of a vacation than their European trip last Summer . . .

A note from Dorothy Fox . . . from Grand Canyon . . . where she and Col. Fox have managed the Grand Canyon Lodge on the North Rim this Summer . . . says that they had a terrific season and broke the all time record for August . . . Their son Eddie is already back and entered in school here . . . and the Foxes are en route . . . and thrilled to be heading for Palm Springs again . . .

Outside Inside

The new home of Fern White at 137 Mesquite . . . was the scene of a gala housewarming . . . with about 75 friends sharing in the festivities . . . A buffet supper was served poolside . . . but the evening cooled and . . . the "poolside platter party" was moved indoors . . . in front of the fireplace . . . With so many horses shut up during the Summer . . . you hear some funny tales . . . about what they find when they come back . . . Even so . . . I was a little startled . . . when Betty Herbert told me she had found a baby alligator in her shower . . . After all this is Palm Springs not Palm Beach . . . Anyway, it turned out . . . it was a lizard . . .

At the Howard Manor opening . . . Robert Bonesteel (the executive secretary to E. Roy Fitzgerald) was sporting . . . the latest thing in hats . . . It was a farmer-type straw . . . with red and green reflector lights in front . . . Dr. and Mrs. Francis A. Purcell are at their home on Pablo drive . . . Mrs. Purcell and the children spent most of the Summer at Santa Monica at the Up-lifters Ranch . . . Dr. Purcell and Frank Jr. made a fishing trip up into the Teton country . . .

School Friends Reunited After Thirty Years

Old school friends were reunited last week when Mr. and Mrs. Edgar Nance of Ontario, and Mr. and Mrs. Herbert of St. Louis, Missouri, spent Sunday with Mrs. Mary Anderson at 148 North Marcus road . . . Mrs. Herbert and Mrs. Anderson both lived in Republic, Missouri during their school days and hadn't seen each other for thirty years . . .

The markets are full of fine meats and vegetables. It's

what's done to them that makes the difference between just plain eating and dining.

In all the West — no food so wondrous as Howard Manor's taste-tingling delights.

Don't just eat — dine tonight at

Howard Manor

"CROWNING ACHIEVEMENT IN DESERT LIVING"

572 N. Indian Avenue

Ann Oliver to be Wed Saturday

Invitations are out for the wedding of Miss Anna Jane Oliver and John Donald Armstrong on Saturday morning at 10:30 at Our Lady of Solitude Catholic Church.

The reception will follow at Howard Manor.

The bride-to-be, who was assistant social director at Desert Inn this past Winter, is the daughter of Mrs. Norma Oliver and Dr. James B. Oliver. Her fiancé is the son of Mr. and Mrs. A. B. Armstrong of Medford, Massachusetts.

The "at home" cards say that the young couple will be at home on La Fonda avenue in La Quinta after November 1.

Finchy P-TA Board Has First Meeting

The first meeting of the officers and directors of the Katherine Finchy Patent Teachers group was held at the home of the president, Mrs. Lorraine Hill.

Room mothers and committee chairmen were selected for the coming year. Plans were announced for the annual Mexican dinner to be held on October 22 at the high school cafeteria.

It was decided to hold the regular meeting of officers, directors and room mothers on the second Thursday of each month at 1:00 p.m. The general meetings will be held on the third Thursday of each month with the exception of special event. These general meetings will be held at 7:30 p.m. in the School Auditorium.

Refreshments were served preceding the business meeting.

Long Distance Calls Go Up 8 Per Cent

Long distance rates in interstate communications are 8 per cent higher. The hike went into effect at midnight Wednesday. The rate raise affects long distance calls made at night and on Sunday with increases for initial three-minute calls.

(Jason Halley Photo)

AT THE BARBECUE — One hundred and twenty five barbecue dinners were served at Howard Manor on opening night. Pictured is one of the larger dinner parties, enjoying the excellent cuisine and warm hospitality for which beautiful Howard Manor is noted.

OESa Club Holds First Social Event

OESa Social Club will hold its first meeting of the fall season Thursday, when they have a Canasta party at 2 p.m. at the Masonic Temple.

President Loretta Waller, in making the announcement urged members to attend and bring a guest.

Club officers will be in charge of the refreshments.

Desert Riders Will Ride Tomorrow

Desert Riders will take their first early morning ride tomorrow morning, Top Wrangler Billie Moseley announces, and plan a ride for each Tuesday morning until November 1. Cliff Campbell will serve breakfast to all Desert Riders at his place, at 9 a.m. but reservations must be made before or after breakfast, or both. In her announcements, Top Wrangler Moseley said "Our year-round people don't want to wait till November to ride so this is a chance to get out and get started early."

Two Boys Born at Hospital

Mr. and Mrs. Philip Middleworth of Borrego Springs are the parents of a son, Gregory Philip, who was born at Desert hospital on October 30. A son, Gregory Philip, weighing seven pounds 14 ounces was born to Police Officer and Mrs. Bob Ralph on October 2 at Desert hospital.

Howard Manor Opening Draws Capacity Crowd

As might be expected from a hostel whose entrepreneurs hail respectively from lavish cinemaland and the colorful pad-docks of the sport of monarchs, Howard Manor on Thursday night launched the infant 1953, 54 season in an atmosphere of glittering glamor and raucy excitement.

Boniface Bob and his lovely wife Andrea hosted a capacity crowd at the North Indian avenue institution, the guest list reading like a village "Who's Who," garnished liberally with visiting celebrities. Among those observed were tennis champion Jack Kramer and frau, of Montebello; television tycoon Harry Kaye of Cuver City, the Steve Youngs of La Jolla, Jack Brembeck of Kokomo, Indiana, and vice president Luther Miller of Hollywood State Bank in Los Angeles.

One highlight of the evening resulted from a humorous situation in which a waiter named Jack Kramer served the table of tennis champ Jack Kramer. The champ, upon learning the waiter's name, commented, "Either we'd make a terrific doubles team, or this is a double fault!"

Desert devotees observed partaking of Chef Paul Houdayer's succulent barbecue included Mr. and Mrs. A. R. Simon, the Roger Williams, Stewart Williams, the Al Weingartens, Earl Houghs, Monty Herberts, Arthur Millers, George Wheelers, and the Bud Graves.

Manager Bill White reports that the largest party was a table of sixteen villagers, including Mr. and Mrs. Hilton, Mrs. Austin McManus, Edna Keefe, Henrietta Parker, Mrs. Evelyn Poll, Zaddie Bunker, Miss Jennie Lawson, Mr. John Connors, Eve Morgan, Mildred S. Potter, Lily Goff, Mrs. E. M. Grogan, Mrs. Darrell Ryno, and Fannie Kramer.

Pianist-vocalist Wini Beatty, fresh from a lengthy run in Honolulu, accented the evening's festivities with her sophisticated melodies, helping to make it altogether just about the most auspicious opening the Manor has yet enjoyed.

Prominent Manufacturer Visits Here

The Paul Onans of 410 Paseo El Mirador had a distinguished houseguest this past week, when his brother D. W. Onan and wife of Minneapolis stopped here for a visit before flying to Hawaii.

An inventor and manufacturer, with world-wide distribution, Onan is a past president of Optimist International and treasurer of the Sister Kenny Foundation.

Thursday—Chili beans and crackers, vegetable salad, pineapple upside down cake, and milk.

Friday—Tuna and noodle casserole, buttered fresh string beans, cabbage and carrot salad, whole wheat bread with butter, watermelon, and milk.

Diploma in Gems Awarded to Roy

George Merrill Roy of Palm Desert was recently awarded a diploma in the Theory and Practice of Gemology from the Gemological Institute of America, Los Angeles. Holders of these diplomas are known as Graduate Gemologists and are recognized by the industry as the specialists of the gem field.

As Roy explained, "The public is not generally aware that there is so much involved in identifying a precious stone. Scientific testing is necessary for conclusive accuracy."

Roy is presently a real estate broker, but is interested in becoming a gemological instructor. He is now engaged in compiling and editing a gem and mineral encyclopedia for the trade and a gemological textbook for high school lapidary classes. Roy is a director in Desert Chapter, Western Mining Council, Indio; co-founder and past president of Shadow Mountain Gem and Mineral Society, Palm Desert; former executive secretary of Arizona State Resources planning board, and

former secretary to the governor of Arizona.

MOTEL PERMIT ISSUED
Permit for a \$17,000 motel on Larrea street in Palm Desert was issued to Thomas Greenleaf by the county building department last week.

LADIES' NIGHT — Over 500 dinners were served at the Ladies' Night dinner staged by the Elks Tuesday night. Serving the guests, left to right, are: "Pappy" Landfield, Rudy Salazar, Mel Smith and Tony Cato.

BPOE Ladies' Night Draws Huge Crowd

A crowd, estimated at over 500, attended the Ladies' Night Dinner, Tuesday night when Palm Springs lodge 1905, BPOE, staged its first social affair of

the season at the lodge rooms on Highway 111.

Entertainment was furnished by the Guadalajara Trio from the Doll House, through the courtesy of George Strebe.

Commenting on the successful event, Exalted Ruler William M. Olsen said, "I am delighted beyond expression at this magnificent turnout. With over 500 present tonight, our first Ladies' Night, imagine what this event could grow in to."

"To me it teaches two things

Our ladies enjoy coming to Elks social affairs and will no doubt continue to do so, and what is so very encouraging to me, is the fine work of our committees in the cooperation and coordination of efforts. Only team work can win, and we have that team work in our organization."

AAUW Plans Inspiring Program

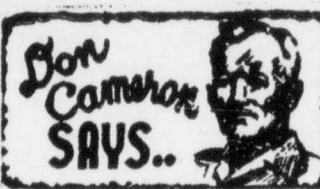

The American Association of University Women held its first business meeting of the season and discussed the year's program on Tuesday evening at the home of the president, Mrs. Paul Summitt.

The following chairmen took over the evening and, with the help of their committees, planned their monthly programs for the year: Membership, Sara Jean Jenkins; social, Helen Peterson and Angela Brennan; international, Mary Beezley; creative arts, Ann Carpenter; legislative, Helena Clemensen; scholarship, Betty Miller; status of women, Gayle Burns; hospitality, Eunice Crooke. Violet Watson is vice president and program chairman.

An Hawaiian garden party with fashions, music and dancing will highlight the year on the October 13 meeting, when prospective members will be welcomed.

Many at Museum on Opening Days

Palm Springs Desert Museum officially opened its doors Thursday at 10 a. m. and the first days brought out many people to visit the institution. The Museum will be open daily from 10 a. m. to noon and from 1 to 5 p. m. Sunday hours are from 1 p. m. to 4 p. m.

By PEGGY LESTER

The raising of the flags on Thunderbird golf course together with the roar of sports motors, heralded the arrival of October.

The regulars are returning in droves, among the first being Ralph and Nancy Kiner and Junior in their very slick and speedy (and noisy) Silver Jaguar Mark 5. When the cloud of dust subsided in their wake, and the desert had reverted to peace and quiet once again, this was rudely shattered by another mighty roar and in from his Summer home in La Jolla flashed Dick Winans in an ultra-smart brand new white and scarlet Chevrolet Corvette. He claims in this, he can beat any car in the Desert and challenges all and sundry to race him.

Another regular weekend roar and sista disturber is Pat and Wade Ambrose arriving at the Desert Air strip from San Diego, Pat piloting, and "buzzing" all her friends en route.

Busy people, Newlyweds Ross and June Clark driving in from La Jolla for 24 hours to supervise the new wing being added to their Thunderbird house. Then off to Pebble Beach to follow the California Amateur Open Golf Championship. They return this week for the season.

and will have Sally Eilers and husband Holly Morse as house guests.

More busy people, Ruth and L. E. Manseau, just back from a two week vacation in Chicago and Oklahoma City, dashing up

to Los Angeles for the weekend to celebrate their 25th wedding anniversary, then rushing back for Ruth to complete moving house and Lou to add the finishing touches to the great new construction job at Thunderbird

club. Also back from Oklahoma City, J. H. and Maggie Hicks. He made it just under the wire to act as chairman for the Coachella Valley tournament at Tamarisk this weekend.

The Perfect Solution

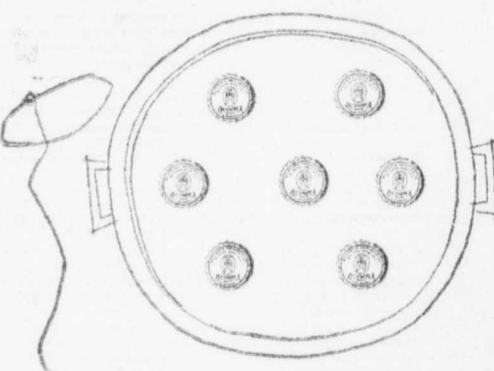

... reseat the guests

Arrange 12 matches, as above, to make four squares. Move four matches and rearrange so as to form three squares of the original size. No matches may be added or taken away.

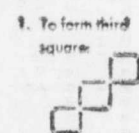

... how many outfits?

A man has five sport coats and seven pairs of slacks. How many ways can he combine these without wearing the same two twice?

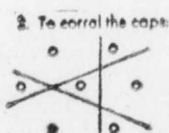

... corral the caps

Above are seven Olympia bottle caps lying on a tray. Can you separate all of the seven caps by drawing only three straight lines so as to place each cap in a separate corral?

1. To form third square

2. Thirty-five

2. To corral the caps

... to your refreshment problem is light Olympia Beer. Whenever friends get together, whether in your friendly neighborhood tavern or at home, Olympia is the "symbol of hospitality." Its sparkling flavor, so appreciated by all, is directly attributable to the rare subterranean water used in our brewing process.

Answers to the other puzzles are printed below.
